#Counter

The flagship item of Hi Retail that made the brand famous in the shopfitting industry, the counter, is reborn in a new, young and captivating form.

Four models that do not represent the classic collection: they are unique pieces, made even more special by their customisation possibilities. These items are meant to highlight the wide range of finishes of Hi Retail: modern prints, laminates and lacquering with trendy colours.

L'articolo di punta della produzione Hi Retail e che ha reso celebre il brand nel settore shopfitting, il banco cassa, rinasce in una nuova forma, giovane ed accattivante.

Quattro modelli che non rappresentano la classica collezione, ma sono pezzi unici, speciali anche nelle personalizzazioni. Oggetti pensati per esaltare l'ampia gamma di finiture di Hi Retail: stampe moderne, laminati e verniciature con colori di tendenza.
