Linea 4

Arredare è un'arte come quella di uno stilista quando si riesce a valorizzare elementi di serie utilizzando finiture marmoree di grande impatto visivo abbinare a grafiche e coreografie che rendono il punto vendita accogliente e stimolante.

Un look accattivante riprodotto in maniera sartoriale su elementi di alta funzionalità e robustezza.

Un tocco di novità ed eleganza su colonne a parete e su mensole illuminate più leggere fissate su pareti con decori e ambientazioni di tendenza. L'abbinamento vincente con componenti centro stanza funzionali e raffinati. E per finire una nuova specchiera autoportante che diventa un vero oggetto d'arredo.

The shop design is a real art just like the art of tailoring. You can enhance standard items using special marble finishing together with shop decor that make the point of sale welcoming and inspiring.

An attractive look combined with a stable and functional structure.

A new twist on wall fit out with back-lighted columns and thinner shelves fixed on walls with pattern, combined with refined middle units. Lastly original free-standing mirror which can be a real piece of furniture.
