

PROCHEMA BAAR AG

hi retail[®]

Linea 8

Una collezione d'ispirazione barocca, ma con l'approccio fresco e di tendenza tipico di Hi Retail.

Le finiture laccate offrono un'ampia gamma di abbinamenti, ideali per tutti gli ambienti che desiderano uno stile elegante e ricercato, senza essere eccessivo. Oltre alle proposte più classiche, Linea 8 sa adattarsi per regalare emozioni uniche anche in erboristerie, fiorerie, centri estetici, pasticcerie, grazie anche alle stampe personalizzabili su richiesta.

Nelle nostre proposte i dettagli barocchi sono risaltati dalla verniciatura bianca lucida e da una stampa effetto damascato che richiama preziosi palazzi del '700. Per un design ancora più d'impatto abbiamo scelto il vetro e finiture dorate per un suggestivo effetto di luci e ombre.

A baroque-inspired collection, with the fresh and trendy approach typical of Hi Retail.

The lacquered finishes offer a wide range of combinations, ideal for all spaces that want an elegant and refined style, without being excessive. In addition to the more classic proposals, Linea 8 suits to give unique emotions even in herbalist shops, flower shops, beauty centers and bakeries, thanks to our customizable prints.

In our proposals the baroque details are highlighted by the glossy white paint and by a damask-effect print that recalls precious 18th century palaces. For an even more impactful design we chose glass and golden finishes for an evocative effect of light and shadow.
