RAINBOW

Rainbow nasce da un attento esame delle tendenze del momento.

Non è solo una linea, ma l'idea per poter accedere a tutte le tipologie di negozi e ambienti nel mondo retail. Semplicemente giocando con le finiture si possono ottenere stili ed atmosfere molto diverse fra loro: classico, elegante, total black, colorato, minimalista.

Le immagini parlano da sole e trasmettono quella giusta emozione per poter catturare l'attenzione del cliente. Con le opportune combinazioni di elementi e colori gli spazi diventano originali ed attraenti; "fare la differenza" è diventato un punto essenziale nel mondo dell'arredo.

Rainbow is the result of a careful study of the current trends.

It's not only a line, it's the right idea to approach all kind of shops and retail spaces. Just playing with the several finishings, it is possible to obtain different styles and atmospheres: classic, elegant, minimalistic, total black or colorful look.

The pictures are of great-looking and transmit a real emotion to attract the customer. With the right color and shape combination the retail spaces turn into an original and attractive point of sale: "make the difference" is now so important in the shop fit out world.
